1. Prayer
2. Minutes of previous meeting - passed
3. Financials
 - a. Devon passed out financials, everything looked good and they were approved.
 - b. We have a new way of handling the CYO gate money. In the past the athletic association treasurer has collected the gate money and sent a personal check to Ava for the amount. Now we will give the cash to the school, and Geannine Morgan will send a check to the CYO.
 - c. All concessions money is cashed in and shown in the financials.
 - e. Sofia Dunnifon, a raffle winner from January decided she wanted the winnings to go back to the athletic association, Jen gave the check back to Devon.
4. Other Business
 - a. Spring callouts will be 3/10 from 11:00-12:00 during lunch. They will be for soccer, track, softball, and cheerleading. We still need a 5th/6th grade girl's soccer coach.
 - b. Mike will send and update to Katie of our current board members for the webpage.
5. Uniforms –
 - a. We discussed our uniform turn in procedure, and how difficult it is to get all the uniforms back in a timely manner. Jason mentioned some possible ways we could make this easier. One way was to have players turn them in at the last game, and then the athletic association would wash them. We did not come to any final decision on ways to improve this.

6. CYO Report –

- a. Kevin reported that they discussed the amount of games in the football season was discussed. They would like to play each team once during the regular season. That would make three games against our local CYO teams, and two games against the South Bend teams. This would allow time for the teams to schedule games of their own. Last year they would play the teams each twice, which would not allow teams to schedule any of their own games. The season was also too long and heavy, and didn't allow for any rest. They discussed whether the playoffs should include South Bend teams or not.

7. Facilities-

- a. Kevin bought locks for the basketball baskets, the key is on the key ring.

8. Coaching Evaluations –

- a. We received two very positive coaching evaluations for the 6th grade girls team.

9. Coaching Applications –

- a. We received four new applications, all were approved.

10. Concessions – nothing

11. Spring Sports –

- a. Pat will be the soccer coordinator.
- b. We will host games again this year, we just need to figure out who will be in charge of deciding if the field is okay to play on after it rains.
- c. One net has a hole in it and may need to be replaced.

12. Winter Sports –

- a. Kevin will check with coaches to take an inventory on where the game balls are.
- b. Next year we want to host fewer CYO games. We did not leave much room for the 5th/ 6th grade teams to play home games. We also want to be more careful and organized with 5th/ 6th grade game scheduling, we had some confusion this year.
