Dear Prospective Preschool Parents:

We want to welcome you to Saint Elizabeth Ann Seton Catholic School. This year your child has the opportunity to attend Preschool at our school. **The 2019-2020 Preschool Programs and costs are outlined on the attached guide.** Our 3-year old program offers one morning session. We have four options to choose from in our 4-year old Pre-Kindergarten program: a 3-day morning session, a 5-day afternoon session, a 3-day, full school day session and a 5-day, full school day session.

Please note that your child must be 3 years or 4 years old by September 1, 2019 to attend these programs. There will be one teacher and at least one teacher assistant in each of the classrooms. This is our opportunity to enrich your young children and help them grow spiritually, socially, academically, creatively, and emotionally!
