Kindergarten Health Forms

Contents:

If your student has diabetes, asthma, food allergies, or the need for an Epi-Pen or inhaler while at school, additional forms will need completed.

All forms should be returned to the school office
no later than the first day of school

**A current copy of immunization records

must be on file for all students**

Important Information for Kindergarten Entrance

This packet includes several important forms **that you will need to complete and return to the school office before your kindergartener begins their first day of school.** Please send to the office (Attn: school nurse) once completed.

Required Immunizations:
IC 20-34-4-2 requires that all students entering Kindergarten be fully immunized following the ACIP (Advisory Committee on Immunization Practices) and Indiana Department of Health guidelines. These mandatory vaccinations include DTaP (5), IPV (4), Hepatitis B (3), MMR (2), Varicella (2) and Hepatitis A (2). These minimum doses must be met and they must have been given at the proper minimum age and have the proper intervals between each one to be acceptable for the state school requirements. A photocopied record of your child's immunizations from your child's physician must be provided to the school **BEFORE THE FIRST DAY OF SCHOOL** as proof of the vaccines having been given. Students who will not be receiving immunizations for religious reasons (IC 20-34-3-2), or those who have a medical contraindication (IC 20-34-3-3) to vaccine administration, must have the appropriate exemption forms filed annually with the school office (contact the school office to obtain the correct form). Remember to provide the school with documentation of all shots received from infancy through the current date.

It is important that you review your child's immunization records now and obtain these necessary immunizations from your child's physician, the Fort Wayne Allen County Department of Health, or any Super Shot location. Remember to provide the school with documentation of all shots received from infancy through the current date.

Required free vision screening for all kindergarteners:
IC 20-34-3-12 **requires all kindergarten or first graders to have an MCT exam done by either an optometrist or ophthalmologist**. We choose kindergarten to be done. Your pediatrician CANNOT perform this exam. To take advantage of a **FREE vision screening** for your child, please check the back side of the "Kindergarten Vision Examination" form for a list of local optometrists who have agreed to provide this service at no cost for your child. If you prefer to use your own optometrist or ophthalmologist, please take this form to them to fill out after your child's exam. It is so important that your child be screened for any vision problems at an early age to detect and correct any abnormalities that may exist.

******This exam needs to be done before the first day of school****

Required Dental Form:
Good dental health is important. You will find a dental exam form in this packet that should be completed by your child's dentist as proof of them receiving routine dental care. This is a one-time form for Kindergarten students.

Physicals/Health Questionnaire: All students new to our school are required to have a recent physical signed by their physician along with the "Health Questionnaire" form submitted to the school office no later than the first day of school.

CHIRP: As required by IC 20-34-4-6, each school must report immunizations to the State Department of Health. This report is currently done online through CHIRP (Children and Hoosier Immunization Registry Program). We will need a consent signed for each child in order to report this information to the state. Once signed, this consent applies to all years your student(s) attend Saint Elizabeth Ann Seton Catholic School. This form needs to be submitted to the school office no later than the first day of school.

General Health Information

About washing hands:
Now is the time to teach your child the importance of good hand washing. Keeping hands clean is one of the best ways to prevent the spread of infection and illness. Help your child stay healthy by encouraging good hand washing habits.

Regular sleep is very important:
Regular sleep habits are very important to the health and well- being of your child. A young child needs, on average, 10-12 hours of sleep a night. To help establish a regular bedtime, it is recommended to turn off TV and electronics at least 30 minutes prior to bed. This is a great time to be reading to your children.

When your child is ill: Children with fever, diarrhea, vomiting or other symptoms of illness should stay at home, and, if indicated, be evaluated by the doctor for diagnosis and appropriate treatment. Any temperature of **99.9 degrees** or above means that your child has a fever and **must stay home for at least 24 hours** (free of fever without the use of acetaminophen or ibuprofen). This means that if your child was sent home from school the day before with a fever, they need to wait **at least** 24 hours before they will be admitted back to school.

Medications: We will only administer FDA approved over–the–counter (OTC) and prescription medications prescribed to your child. These medications should be brought to school by an adult in their original package and accompanied by a medication consent form that can be obtained from the school office. Medication brought into school will only be available during school hours. Our school policies are in accordance with IC 20-34-3-18. All medication will be kept in a locked cabinet with the nurse, or trained staff member dispensing according to the package instructions. Students are not to have medication with them at any time. The only exception to this is if your child needs emergency medication (ex. insulin, an inhaler or an epinephrine injection) and the proper paperwork is filled out and on file with the school. Please see the school office should you need such forms. **A reminder that all cough drops are considered OTC medication and need to be kept in the school office for your child's use**. Please read our full medication policy on the "Medication Consent" form.

CHIRP Consent Form

(Required form for all students' health files – Please return ASAP)

The Indiana State Department of Health maintains an electronic immunization registry entitled Children and Hoosiers Immunization Registry Program (CHIRP). CHIRP allows all health care providers within the state of Indiana to enter and view immunization data with this method of electronic documentation. CHIRP ensures that the most up-to-date record of immunizations is available to all health care providers. The Indiana Department of Education mandates that all schools within the state of Indiana utilize CHIRP to document annual immunization reports. We are required to submit these immunization reports to maintain our accreditation. Parents/guardians within our school are being notified of this law and your permission is required to submit the immunization status of your child in this format. The Indiana Department of Education's attorney Dana Long, collaborating with the Indiana State Department of Health, has helped prepare the wording of the below consent.

I, as a parent/legal guardian to the below stated child(ren):

☐ Give consent to Saint Elizabeth Ann Seton Catholic School to release such information

☐ I DO NOT give consent to Saint Elizabeth Ann Seton Catholic School to release of such information

to the Indiana State Department of Health's Children and Hoosiers Immunization Registry Program (CHIRP):

STUDENTS NAME, IMMUNIZATION DATA, AND OTHER INFORMATION SUCH AS DATE OF BIRTH OR OTHER IDENTIFYING INFORMATION AS APPLICABLE.

(FOR FILING PURPOSES, PLEASE LIST ALL STUDENTS REGARDLESS OF CONSENT STATUS)

_____Grade: _____ Birthdate: ____/____/____
_____Grade: _____ Birthdate: ____/____/____
_____Grade: _____ Birthdate: ____/____/____
_____Grade: _____ Birthdate: ____/____/____
_____Grade: _____ Birthdate: ____/____/____

I understand that the information in the registry may be used to verify that my child has received proper immunization and to inform me or my child of my child's immunization status or that an immunization is due according to recommended immunization schedules.

I understand that my child's information may be available to the immunization date registry of another state, a healthcare provider or a providers designees, a local health department, an elementary or secondary school, a child care center, the office of Medicaid policy and planning or a contractor of the office of Medicaid policy and planning, a licensed child placing agency, and a college or university. I also understand that other entities may be added to this list through amendment to I.C. 16-38-5-3.

FREE Kindergarten MCT Vision Screening

The following Optometrists have volunteered to provide **FREE** kindergarten screenings in their offices. We encourage you all to take advantage of this rare FREE preventative health opportunity offered to families in the Allen County Non Public School Association (ACNPSA).

It is necessary to follow the guidelines below in order to ensure a free, professional vision screening.

1. Call one of the following offices and identify yourself and the non-public school your child will be attending.
2. **CALL for an appointment no later than JULY 1** and tell them that your appointment is for pre-kindergarten screening.
3. Be sure to take this pre-kindergarten vision screening report with you for the optometrist to complete.

Dr. Thomas Baker 749-0407
1318 Minnich Rd. New Haven, IN

Dr. Aileen Heaston 489-3996
10301 Dawson's Creek Blvd. Suite A Ft. Wayne, IN

Dr. Troy Hockemeyer 493-1505
1010 Boulder Ridge Trail New Haven, IN

Dr. Thomas Zachman 432-1231
7625 W. Jefferson Blvd. Ft Wayne, IN

We are most appreciative to the above optometrists for their services to the Allen County Non-Public Schools! At the time of your child's appointment, **PLEASE** give them a word of thanks for taking time out of their practice to give back to our community.

(rev ACNPSA 1/18)

Immunization History

*****PLEASE ATTACH A COPY OF THE CHILD'S FULL IMMUNIZATION RECORD*****

All students must have an immunization record in the school office before the first day of school. This student MAY NOT attend school without a record of having received the required immunizations listed below. The only exception is to have a medical or religious exemption form filed with the school office.

The following immunizations are the minimum requirement by the State of Indiana for:

Kindergarten –4th Grades

DTaP (5) IPV (4) Hepatitis B (3) MMR (2) Varicella (2) Hepatitis A (2)

5th Grade

DTaP (5) IPV (4) Hepatitis B (3) MMR (2) Varicella (2)

6th Grade

Previous listed plus additional Tdap (1) and MCV (1) and Hepatitis A (2)

7th and 8th Grades

Previous listed, but Hepatitis A is NOT required

(These are the minimum doses that are necessary. All minimum ages and intervals for each vaccination as specified in the CDC guidelines must be followed to be considered valid.)
